

# Achieving A Premium Price

At Ray White, we pride ourselves on achieving the best possible price for our clients.

When two, three or even more people want to buy the same property – they compete for it. This pushes up the price and ensures you achieve the best possible price. Our job is to create competition among interested buyers.

We will recommend the method we believe will achieve the highest price; however ultimately, you the seller, have the power to choose the method which you feel most suits you.

When selling a property we offer you various methods of sale to choose from, including: general or a sole agency, for sale by advertised price, by auction or by tender.
